

Ancient Mysteries Unfold

Mysteries, hidden in plain sight, are beginning to unfold from two thousand year old writings. The scrolls, commonly known as the New Covenant, are yielding fresh revelations about a pathway through the shadow world into a new realm. To walk this path requires an induction into a new order of priesthood. Those called and chosen by the Most High GOD are responding to this upward call. The journey is multidimensional. Moving from this present visible creation (the four dimensions of time, space) through the heavens (unseen dimensions) into the presence of Yahweh Elohim, the Creator.

The scroll known as Hebrews, along with fragments from Genesis and Psalms, reveal an order of priests superior to the earthly order of Levi. The name given for this sacred order is Melchisedec. The High Priest of this confession is Yahshua the Messiah. The ancient text calls Him a minister of the sanctuary (holies), and of the true tabernacle, which the LORD pitched, and not man. All those who follow this Priest will come to many holy places both in the earthly shadow realm and in the heavenly realm. Through this order there is a new hope by which men are drawing near to GOD.

The scroll of the Revelation teaches that the one true GOD is working in this age of humanity to bring forth a Kingdom of Priests. A Kingdom signifies the need for a King.

The name Melchisedec means King of Righteousness. The King of the priests is Yahshua the Messiah. He sits on the throne as King-Priest of Yahweh Elohim. We are to serve the King and minister as priests in the holy places opened to us through the ministry of our High Priest.

The Melchisedec order must go beyond the earthly shadow tabernacle; Boldly stepping beyond the veil, following the blood trail between the poles, approaching the Ark, and stepping upon it. The Ark becomes the golden step into the heavenly realm. When the step of trust is made they appear in the outer court of the heavenly tabernacle.

Once in this outer court, the priest must be sprinkled with the blood and water of the covenant. The Messiah on the stake was pierced and out of His

side came blood and water. This was after He said, “ It is finished”. His work as the Passover lamb was finished, but a further work was needed to sprinkle the priest who travels beyond the earthly shadow realm. This work when applied to the Priest, purges away a sin consciousness allowing freedom to function in the heavenly realm.

This journey continues toward and into the heavenly sanctuary. Inside this holy place await the heavenly originals of which the earthly holy place is just a shadow. There the veil that must be rent, in order to enter the holy of holies, is the flesh of the priests. When the Messiah rends the heaven to come back, the flesh oh His priests will be rent (changed) and a new holy place in Yahweh will be revealed.
