Shalom Dear beloved in YAHWEH,

My hearty greetings of love, peace and grace be to you in the almighty name of our YAHWEH and YAHSHUA THE MESSIAH.

I, N. SekharBabu, have been carrying on service of our Yahweh in Nidadavole, West Godavari District, Andhra Pradesh. My wife and I underwent Bible training for 3 years on the call of our YAHWEH and have been carrying on His service since last 10 years. We are having 7 congregations. Some young persons have also been working with us with their spouses. The schedule of our work comprises of Saturday SABBATH Schools, Saturday SABBATH worships, Fasting prayers, house visiting, Youth meetings, Torah Bible studies, whole night prayers, street rallies and meetings, tract distribution, Yearly conventions and giving and baptisms. We are also keeping our Holy festivals.

Hitherto the whole of the above services are being carried out independently without any outside help. While maintaining my family and extending bit of help to my co-workers. In the absence of Pucca buildings for the assemblies in all my 7 congregations, we have raised thatched sheds and have been carrying on His Service. As our believers are all daily wage workers with scanty incomes, the offerings I get from them are too meager and insufficient to meet our expenditure. To add to this the prices of all essential commodities have gone abnormally high and they are not within easy reach of people below poverty line. I have spent all my belongings for the service of the Yahweh. I had to raise loans to meet my expenses. Though the work expanded considerably due to my best efforts since all these years, now my position is far from satisfactory. I am facing untold hardships to meet my day-to-day expenses and for the maintenance of my family.

I am very eager to hand over our work to you, so that we carry out our work under your able guidance, co-operation and help. IF POSSIBLE, please visit our area see our work personally. We are very eager to carry out our work in the name of your organization if you have no objection. In case you have any objection for doing so, please recommend us to any of our YAHWEH and Yahshua the Messiah organization. Please pray for us. We are all praying for you, your welfare and prosperity.

Awaiting for your prayerful reply, Proverbs: 25:25 GALA 6:9,10. COLO3:23,24.

Yours in Yahshua the Messiah

BROTHER N. SEKHAR BABU.
