

## Paganization of the Church

### 1 John 1:5-7

*“And this is the message which we heard from Him and proclaim to you: God is light, and there is no darkness in Him ---none! If we claim to have fellowship with Him while we are walking in the darkness, we are lying and not living out the truth. But if we are walking in the light, as He is in the light, then we have fellowship with each other, and the blood of His Son Yahshua purifies us from all sin.”*

This page is dedicated to bringing light to the called out ones of Messiah Yahshua.

It is without question that since the founding of the Messianic Community by the Apostles and a few hundred years thereafter, the very foundations and pillars of that Apostolic Ministry have been removed. These include the concept of the oneness of God, the commandments, the Sabbath day, and the Holy Convocations of Leviticus 23, to name just a few. These foundations and pillars have been replaced with pagan practice, sun worship and a Christian church walking in great darkness.

This page contains links to information provided by a web site entitled *“Too Long in the Sun”* founded by Mr. Richard Rives. This information is possibly the best ever assembled to describe the current condition of Christianity and how it got there. Mr. Rives says that he claims no honorary title, that he is not a preacher, nor a minister, but is a person like us who simply loves the truth. He is an archeological and historical researcher that has been commissioned by God to make it known that many aspects of “traditional Christianity” are, in fact, pagan in nature. We would urge you to carefully examine each of the articles listed on the left side of the web page and to also listen to the sixty minute audio that is available. We would also urge you to conduct an independent research project to verify the truths outlined by Mr. Rives. This can easily be done, as many of the facts are as close as the encyclopedias on your bookshelf. These truths are well known by the secular world and by the Christian Church (and ignored).

After having being exposed to the light that has been provided by this page, we would encourage you to examine the foundation on which you have built your spiritual house. Is it on the firm bedrock of the one true GOD of Israel and the commandments of Yahshua the Messiah? If not, we would encourage you to seek HIM that is the author and Perfector of our trust and make life-changing decisions in your spiritual walk.
