

RETURN TO THE GARDEN

Each of us in life has a path that we travel. Each path has its' starting point, which is the same for everyone, and all but one leads to destruction. There is one path that leads to salvation and it is called the ancient path. Where does this path begin and where does it end? When you travel your life path, you will come to crossroads. It is at the many crossroads that you find the ancient path. The ancient path begins in the garden and ends in the garden. It begins with salvation and ends with salvation. It is in the middle of the garden that we find the tree of life.

"And out of the ground YHWH made every tree to grow that is pleasant to the sight and good for food. The tree of life was in the middle of the garden, and the tree of the knowledge of good and evil"(Gen. 2:9).

"Along the bank of the river, on this side and that, will grow all kinds of trees used for food; their leaves will not wither and their fruit will not fail. They will bear fruit every month, because their water flows from the sanctuary. Their fruit will be for food, and their leaves for medicine"(Ezek. 47:12).

"In the middle of the street and on either side of the river was the tree of life, which bore twelve fruits, each tree yielding its' fruit every month. And the leaves of the trees were for the healing of the nations" (Rev. 22:2). It is in this garden that we will find Yahshua.

"When Yahshua had spoke these words, He went out with His disciples over the brook Kidron where there was a garden, which He and His disciples entered" (John 18:1).

"Now in the place where He was crucified there was a garden and in the garden, a new tomb in which no one had yet been laid" (John 19:41).

"I am the Aleph and the Tav, the beginning and the end, the first and the last" (Rev. 22: 13).
