

YAHSHUA IS THE ALMIGHTY, OMNIPOTENT AND ETERNAL YHWH

One very early morning recently, as I made the drive to the city to participate in a prayer time with some brothers, I felt the LORD pose a question to me. “ If you had to select the overriding single thought that I have brought to you and the brothers this summer, what would that be?” The answer came almost immediately from deep inside my being; “your people do not really know who you are, and they do not honor and worship you as they should”. In the next few days as I pondered this question and my answer, I began to meditate over all that the LORD has brought in recent months. During this time, I had a rather startling realization, having to do with who HE is and HIS and our relationship to time.

We have been meditating on the "Face" or "Presence" of GOD and particularly as it relates to HIS table and the understanding that in the beginning, YHWH desired a "Presence" among the Elohim. That Presence was realized with Messiah entering the Heavenly realm and temple and cleansing everything with HIS own blood mixed with water. HE entered the Holy of Holies, approached the Ancient of Days that surrounded the throne and merged into YHWH as HE received HIS crown and the everlasting Kingdom. Daniel 7 provides a beautiful account of this occurrence. In Philippians 2, we see that Messiah in HIS life with us existed as the very form (gr:morphe, where we get our biological term morphology) of YHWH, but did not consider equality with YHWH as something to be grasped, but instead emptied Himself and became a bondservant. In other words, Messiah was born, grew and as we also do, existed in time and mortality. Following HIS sacrificial death, burial and victorious resurrection and in the fullness of time, HE then entered into the heavenly realm. As HE walked into the fiery reality of YHWH and sat down upon the throne as the King of Kings and Lord of Lords, HE received a kingdom without end. Messiah Yahshua provided what YHWH had sought, a presence among the Elohim and immediately became YHWH as a being outside of time, or an eternal existence. HIS presence flashed back and forward in time, and as a result HE was always present and will always be present.. When YHWH spoke the words of creation, mankind was there. "In the beginning was the word, and the word was with GOD and the word was God"....."The word became a human being and lived among us." This, the reality of who Messiah Yahshua really is and who we are in HIM. It is difficult for our human minds to encompass and truly understand being outside of time or who Messiah really is. It is enough, however, to know that it is true.

Chapter 2 in Philippians also says that before the throne “every knee shall bow and every mouth confess that Messiah Yahshua is YHWH (Lord)”. HE is the Almighty, Omnipotent and Eternal YHWH. HE is the very presence and face of YHWH Elohim, and humanity dwells within HIM. Through Messiah Yahshua and our saving relationship with HIM, *we dwell within him and have a place in the midst of all that YHWH is!* He would that we fall on our faces before HIM in thanksgiving and loudly proclaim from the rooftops the truth of who HE really is. HE would that we begin to see ourselves and live our lives as who we truly are: *Heirs and children of HIS everlasting kingdom and sons of the living GOD. We should live our lives as if we had a special place in the Elohim, because we are already there, in the person of Yashua.*
