

## Destiny of Israel and the Land

Other pages within this web site have attempted to identify Israel and the ancient path that we must take in order to find the one true GOD of Israel and to discern HIS purposes for ourselves and HIS people. While man made religions of the world have fabricated many doctrines regarding the purposes of GOD and future events, **scripture abounds** with detailed explanations and prophecies concerning these things. We believe that it is only in scripture that the truth of GOD's purposes can and will be discerned.
